## EXPERIENCES

**DICOT INNOVATIONS PVT LTD |** Design Lead & Frontend Dev
ReactJS, JavaScript, Figma, Chakra UI, CSS
May 2022 - Jul 2023 - Ahmedabad, Gujarat (Hybrid)

- Ensured smooth coordination among team members to streamline workflow and consistently deliver high-quality results.
- Played a key role in expanding the customer base by making the application more intuitive and user-friendly.
- Introduced new concepts to enhance the existing web application and orchestrated a comprehensive redesign to improve user experience.

**MINDFUL GURUKUL |** User Interface Designer
Figma
Sep 2022 - Mar 2023 - Walkeshwar, Mumbai (Remote)

- Designed the entire app at Mindful Gurukul, focusing on a complete redesign from scratch with the target audience in mind.
- The company presented the new design and prototype of the app, which played a crucial role in securing funding from IIT Mandi Catalyst.
- Demonstrated the app's potential through the redesigned interface and features, leading to successful fundraising efforts.
